Vitamin Sea

Wind in your hair, sand between your toes and the vastness of the ocean in your eyes. Celebrating a small wedding at the beach is becoming more and more popular as it is an extraordinary location. Maritime colours and natural floristry reflect sand and the sea.

Nature Lover

For all Forest Fairies and Robin Hoods among the wedding couples, the Meadow Wedding is the perfect choice: a casual ceremony under a big old oak followed by a relaxed outdoor celebration. The decoration appears like it has grown wildly and emphasizes the casual theme of the wedding location. A successful overall concept for nature lovers.

Dark Wedding

She does exist – the bride with slightly unconventional ideas of what she wants her wedding to look like. Pink, pastel and glitter step aside for soft dark contrasts instead. The color scheme consists of grey shades and golden accents. The floristic design of the wedding celebration succeeds in balancing an inviting elegance with a mystical, wicked atmosphere. The OASIS® BLACK series is the ideal Floral Foam base for all required arrangements, from table decorations to candy bar decoration.

Alp Love

A wedding couple which wants to fly high and finds its perfect wedding location up in the mountains. Great emotions paired with a dreamlike scenery create a breathtaking atmosphere. Rustic romance meets tradition.

Cherrylicious

The cherry - a symbol of passion & love. The motto of an outdoor summer wedding: playful, girlish and romantic. The colour of love dominates the overall concept and creates a loving atmosphere for the perfect day. Cheers to love and life!

Beach Wedding

Summer, sun, sea - the location provides the motto for a small but beautiful wedding on the beach. The wedding ceremony takes place within the closest circle of family and friends. Natural and simple materials dominate the decoration, even though the colour scheme is bright and eye-catching to suit the couple.

HERZLICH WILLKOMMEN

Not every bridal couple is equipped with an unlimited budget, nor does every couple want to spend huge amounts of money on a wedding. For this reason, it has become more and more common to complete your wedding decoration with loving handicrafts.

Provide your customers with the right do-it-yourself tips. That way, the celebration is not going to end in a disaster, but it will turn into an individual and special event – at a favourable price..
